Minutes of meeting

Subject Experts compared the Answer Sheets with slips and gave their comments on the Answer Sheet/s and Form/s meant for the purpose, duly filled and signed by superintendent, supervisor and student in the examination centre. Details of students and comments of subject experts are as under:

Sr. No.	Name of the Student	Roll No.	Programme	Course Title and Course code:	Date of Examination and centre no.	Type of unfair means used	Comments of Subject Experts
1.	Charu	20171800002	Bachelor of Science (Honours) Physics Sem-V	Electronics (BOPL-5394)	20-12-2022 (Morning) KMV-II	Diagrams made on Roll No. Slip	One diagram copied

The following decisions were taken by the committee after analysing the comments of the Subject Experts, Superintendents and Supervisors:

- As the students using minor unfair means (such as formulae/ diagrams written/drawn on Roll No. slip, material written on hands/arms) in the examination centres were caught and let off by the superintendents on the day of examination itself and written undertaking has also been taken from the students by the superintendents that "They will not use any unfair means in future during any examination and if found guilty again, the risk will be their own". So, decision was taken not to call the students to attend the Examination Disciplinary Committee Meeting.
- No marks will be provided for the portion of the answer sheet attempted using unfair means. As per the decision marks will not be provided to the copied portion of answer sheets of **Sr. No. 1, 2 (Roll Nos. 20171800002 and 19209000016)**.
- **all the questions will be evaluated of those students who have not copied anything from the slips.**
