

Kanya Maha Vidyalaya, Jalandhar, has registered for Digilocker: Documents wallet to empower citizens, a secure digital platform provided by the Government of India, against National Academic Depository ID: NAD012745 in the year 2021 aiming at digitizing academic records of its students. Another initiative was taken on 01-06-2022 by getting approval for Academic Bank of Credits to transfer the credits of students against their ABC IDs. As part of our commitment to embracing digital advancements and ensuring the convenience of our students, the work of uploading the marks of students is in progress. We have already published the database of students appeared in various End Semester Examinations on DigiLocker for the sessions 2021-22 and 2022-23.

For this purpose every year a campaign of new admitted students is organized (Photographs attached below) and they are helped to create their ABC IDs. The Controller of Examinations (CoE) office actively engaged in eliminating the problems faced by students during the generation of ABC IDs. The data base containing students' details such as name, programme in which they have been registered, enrolment number, adhaar number, registered mobile number and ABC ID is compiled by the Class Incharges and is submitted to the CoE office in form of soft copies alongwith the hard copy and photocopy of the ABC ID cards to verify the data. The awards are uploaded in the format provided by the authorities of DigiLocker alongwith the verified ABC IDs of students. The uploaded data is verified for any discrepancies or errors and only then it is published on the DigiLocker website. A few screen shots related to the uploaded data are available for the ready reference of the concerned.

The screenshot displays the DigiLocker dashboard for Kanya Maha Vidyalaya. The user is logged in as Hardeep Kaur. The dashboard features a sidebar with navigation options: Dashboard, Records, Photos, Templates, Settings, Certificate Approval, Certificate Verification, Academic Bank of Credits, and Support. The main content area is titled 'Dashboard' and includes buttons for 'Upload Records', 'Upload Photos', and 'Search'. A 'Year' selector is present. The dashboard displays four key statistics:

- Total Awards Lodged: 5229
- Awards Fetched: 0
- Total Degree: 0
- Total Provisional Degree certificate: 0

There are also sections for 'Notifications' (stating 'There are no new notifications yet.') and 'Activity' (listing '8 records uploaded' with a 'Verify now' link and 'DGMST 2 has been set as template'). The Windows taskbar at the bottom shows the date as 16-01-2024 and the time as 12:30.
