II) ACTION TAKEN REPORT

Following decisions were taken based on student satisfaction survey regarding teaching learning:

- Teachers in-charges will be asked to inspire students so that more students participate in survey.
- An orientation course will be organised for teachers to cover the weaknesses in teaching learning process as pointed by students.
- Feedback on teachers will be taken from students.
- Dean academics will ensure that all the teachers should cover their whole syllabus in time.
- All the teachers should put more efforts in preparing material, all the teachers should be punctual, they should discuss the performance of students after tests/ assignments.
- More efforts will be done to ensure the fairness of the evaluation process like showing answer sheets of end semester examinations to students.
- More students will be sent for internships.

- All the teachers should encourage students and make them comfortable so that they could ask questions in class.
- All the teachers should motivate the students for their holistic development.
